Wedding Insurance - Wedding Event Insurance - Wedding Postponement Insurance The Wedding Insurance / Wedding Cancellation Insurance Protection Plan

We've got an insurance policy that offers you financial protection if certain unfortunate, unforeseen events occur. Today's weddings have an average price tag of \$27,000. Of course, brides are squarely focused on their special day – not on what could go wrong. Yet it's all too common to lose a high-dollar deposit when a bridal dress shop suddenly closes or a hurricane causes the wedding to be postponed. You wouldn't buy a new car that costs \$27,000 without insuring it so it's important to consider wedding insurance! In other words, you need Wedding Insurance Coverage . The Wedding Insurance Plan offers a variety of coverages such as: Wedding Insurance Coverage Options
